

Children In Need

6th November 2009

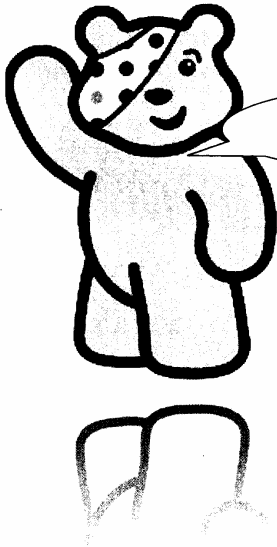

Dear Parents/Guardian,

In three weeks' time, as you may know, it is Children In Need: Do Something Different. This year we are celebrating it with a few different things – it's certainly going to be a busy couple of days.

Monday 15th November; Jordi and Indea will be selling Smarties tubes every morning, which can be bought by the children to take home, empty (easily!), filled up with money, and brought back to school by Friday 20th November.

Friday 20th November - morning; The children will be allowed to come in their own clothes, but the challenge is to try to wear something fluorescent - the cost is **£1 per family**. We will also have a giant Pudsey head which, hopefully, will be covered in money from the Smarties tubes and with any spare coins you may have lying around.

Friday afternoon; In the afternoon, some of the School Council will be hosting a cake stall – please, if possible, can you bring in some cakes on Friday morning to sell on the stall. Parents/grandparents etc. are free to come and buy any cakes that are left!

Thank you for supporting
Children In Need!

Morgan, Simon, Molly, Finley, Indea and Jordi, from Beer C of E Primary School Council
